Can any organization exemplify our theme better than the De La Warr Jr. Sr. Band? Time is not only the heartbeat of humanity, it is also the heartbeat of our band. Time is indicative of our band -- the tapping of a foot, the wail of a trumpet, the downbeat of Mr. Bruce Henrickson's baton.

Time, as our foreword will tell you, is the measure of places, events, and things. Perhaps these pages will measure your year here at De La Warr as you participated in this particular event and special time.

. . . *A TIME TO*

FOREWORD

For everything there is a season,
And a time for every matter under heaven:
A time to be born, and a time to die;
A time to plant, and a time to pluck up what is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;
A time to weep, and a time to dance;
A time to cast away stones, and a time to gather stones together;
A time to embrace, and a time to refrain from embracing;
A time to seek, and a time to lose;
A time to keep, and a time to cast away;
A time to rend, and a time to sew;
A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time for war, and a time for peace.
Ecc. 3:1-8

The staff of the De La Warriian proudly presents your fifth yearbook. We have chosen our theme to represent time, and feel that our efforts are but small when measured against time. Time is the rule by which our lives are guided, and fate alone knows when time will end. It is with these thoughts that we place in your hands the seeds of time.

In departing we leave behind,
footprints on the sands of time.

SENIOR CLASS HISTORY

Time, as a gauge of progress, measures the individual as well as the group. Twelve years ago we each traveled our separate paths. Many of us began our formal education in this district. Others have since joined us. Now we find ourselves united as one body.

In 1961 we were proud to become the first freshman class to ever attend De La Warr. Our officers:

Chuck McCallion . . . President
Cheryl Blakeney . . . Vice President, and
Margie Gack . . . Secretary-Treasurer

led us in our contributions in the classroom, on the athletic field, and in extra-curricular activities. We were amazed at the success that such a newly-organized group could make. Our calendar included a St. Patrick's Dance in March; and our first class trip, taken in the spring to the nation's capital, Washington, D.C. Our class administration organized a system by which our class dues could be paid during our four years at De La Warr.

As we began our sophomore year at De La Warr, we were happy to welcome into our class those who had recently graduated from Dunleith Junior High School. Our efforts that year included a field trip to the Philadelphia Naval Hospital and a tour through Aquarama. Under leadership of:

Bill Coleman . . . President
Chuck McCallion . . . Vice President
Cheryl Blakeney . . . Secretary, and
Joe Brown . . . Treasurer

our class enjoyed a successful sophomore year.

The beginning of our junior year marked the halfway point in our high school education. Our first activity was a class trip to Valley Forge, Pennsylvania, which linked the past with the present. During the Christmas season, the holidays were gladdened by our Christmas Dance. The co-operation of our officers:

SENIOR CLASS HISTORY

Bill Coleman . . . President
Margie Gack . . . Vice President
Donna Hirsch . . . Secretary, and
Cheryl Blakeney . . . Treasurer

and the capable assistance of our Executive Board helped us make plans for the first Junior Prom ever at De La Warr. Held on St. Valentine's Day, the theme for the prom, "Winter Wonderland," proved appropriate. Before the night was over, it had begun to snow. In the spring, we chose responsible leaders for our most important year as Seniors!

Our senior year, for which we had waited for so long, was finally here! With the opening of our happiest year came the sad realization that it was also the final one. Determined to make it the best yet, we plunged into it with an enthusiasm that would never be forgotten. Homecoming, although rainy, proved to be a bigger success than anticipated. The first annual float competition, held at the Thanksgiving Game, was won by the Senior Class with their float being awarded first place over two equally interesting floats. With the help of our Senior officers:

Bill Coleman . . . President
Don Tunstall . . . Vice President
Diane Stecher . . . Secretary, and
Joe Brown . . . Treasurer

we have enjoyed the best year ever. In the spring we could look forward to our Year-book Buffet, our Senior Prom, Baccalaureate, and finally, Graduation!

As our interlude at De La Warr is about to end, we reluctantly leave to again become individuals in a world of conformity. We do not consider the time spent here as tolerated, but rather as an integral key to our growth. We leave with regret, but with hope that future senior classes at De La Warr are able to derive as much from their years here as we have. Our education would not have been as complete without the ever present help of our teachers and advisors. It is to them that we now pay tribute for their steady help throughout our education. May we leave our footprints in these sands of time, never to be erased.

DEDICATION

We, the fifth graduating class of De La Warr, wish to honor Mr. William Conrad who has guided us well since becoming class advisor during our freshman year.

After graduating from college he began his teaching career at Wicomico High School in Salisbury, Maryland, where he taught science and coached the football, basketball, and track teams. After leaving Wicomico High School, he became a member of the faculty of Newark High School where he taught biology and chemistry and coached the football and basketball teams. Since he came to De La Warr four years ago, he has taught general science and biology. His past experience with sports better enabled him to serve as assistant coach of the track team for two years and as assistant coach for the junior varsity football team in our senior year.

We earnestly hope that dedicating the 1965 De La Warr to Mr. William Conrad will show our respect and admiration for a teacher who will not soon be forgotten.

Mr. William L. Conrad

JUNIOR CLASS HISTORY

Time was, is past; thou canst not it recall;
time is, thou hast; employ the portion small;
time future, is not; and may never be;
time present, is the only time for thee.

We, the present Junior Class, first entered the halls of De La Warr High School in our Freshman year. In time, we became accustomed to the new building and its long corridors, the new teachers, and the endless comments of the upper classmen. Though this first year found us working on split sessions, the 10:50 to 4:30 schedule didn't stop our participation in various school activities.

The elected officers of that young Freshman Class of three years ago were:

President	Linda Barnwell
Vice President	William Bell
Secretary	Margaret Feeley
Treasurer	Linda Kane

As fragments of time slowly ticked by, September saw us return to De La Warr as Sophomores, brimming with confidence in ourselves and our class to embark successfully on a second year of frantic activity. We distinguished ourselves scholastically, socially, athletically, and through our unflagging school spirit.

During the forthcoming year, our attention was turned to the candy drive, the bake sale, and the Sophomore Dance. With our class officers in leadership, we truly established ourselves as De La Warriars;

President	Edith Edwards
Vice President	Leona Drivick
Secretary	Debbie Leighty
Treasurer	Barbara Ochoa

As time cooled the long hot days of summer '64, " we entered De La Warr, not as "lowly" underclassmen but as Juniors, prepared to accept the challenges, shoulder the responsibilities, and pursue the academic, athletic, and social activities of the oncoming year. We sold stationery, sponsored the Christmas Dance, and planned and attended the long-awaited Junior Prom.

Our yesterdays followed us and gave character and force and meaning to our present deeds, as the present shall, in time, give to the future. Under the leadership of our class officers, we began to develop into a dynamic and united Junior Class;

President	Edith Edwards
Vice President	William Bell
Secretary	Debbie Leighty
Treasurer	Joey Williams

THEY SHALL NOT SCORE—Guard Bill Pote of De La Warr High (62) stops a William Penn drive in the second quarter of yesterday's game at Garfield Park. Pote recovered a fumble that was practically pulled out of

the hands of Colonial Tom Greene (on top) 9-yard line.

De La Warr Precedent

They Couldn't Lock Barnes

By BOB MELDER

Rufus Barnes' wish came true yesterday.

The only thought the De La Warr High halfback had before the game with William Penn was to score his school's first touchdown ever against the Colonials.

"I thought all night about that," he admitted.

The 5-foot-9, 140-pound senior halfback's wish came true on the third play of the game. It was a 75-yard dash in the first quarter that ignited a 26-13 victory — first against the New Castle team in six Thanksgiving Day contests.

"I KNEW I had a touchdown when I got to their 45," Barnes explained. "The last guy reached out for me and when he

didn't touch me I knew I could outrun him the rest of the way."

It sent the 4,000 fans at Garfield Park—largest crowd since the 1962 Colonial-Lion game—into a state of shock. This had been the first play on the Lions' second series of downs. And, up to that point, William Penn had been the aggressor, marching to De La Warr's 21 and 25 before losing the ball on downs.

The victory also completed De La Warr's first winning season (6-2-1), clinched second place in the Blue Hen Conference, the highest plateau the Lions have reached, and handed William Penn (4-5) its first losing season since 1950.

COACH BILL Cole's Colonials were plucky in defeat. They countered Barnes' TD with a 15-

yard scoring pass from quarterback Doug Hopper to Tom Leonard in the second period. But the Lions came storming back with two touchdowns in the third stanza, a one-yard sneak by quarterback Chuck McCallion and a 24-yard run by fullback Bob Burns.

"We started sending Barnes off-tackle instead of around end in the second half," De La Warr Coach Paul Gladden said. "That worked and so did our decoy."

By his decoy, Gladden was referring to the 6-foot-1, 195-pound Burns. Instead of handing off to Burns, McCallion would keep the ball and ended up with two touchdowns. He topped the conference with 74 points. His second one was the Lions' last, a one-yard run in the fourth period.

"We planned that before the game," Gladden said. "We know William Penn would be gunning for our big boy after watching him run wild against P. S. du Pont."

THE COLONIALS centered their attack on the passing of Hopper, who attempted 28, completed 14 for 225 yards including a 56-yard TD pass play to halfback Jerry Windish in the final period. Three of Hopper's passes, however, were intercepted.

LION ROARS: De La Warr was not only sharp in the game but was hard to fool after, when it came time for tossing the coaches into the shower . . . Coach Paul Gladden stood quietly in the dressing room while assistant John Meccariello was

De La Warr brakes jinx

By BOB MELDER

De La Warr High's touchdown drought and losing streak in its traditional Thanksgiving Day game with William Penn is over.

It all started yesterday the second time the Lions got the ball and ended with a 26-13 victory before 4,000 fans at Garfield Park.

The game was notable in many other ways, too. It finished De La Warr's first winning season (6-2-1) and clinched second place in the Blue Hen Conference, the highest spot the Lions have reached. And it stuck the Colonials with a 4-5 record, the first losing season since the 1950 team had a 2-6 mark.

THE FIVE scoreless years against William Penn came to a conclusion on one swift effort by Rufus Barnes. The 5-foot-9 senior halfback turned the corner at his own 25 on the Lions' third play of the game, carried his 140-pound body past the last defender at the Colonials' 45 and went untouched to complete a 75-yard scoring dash.

"That's what beat us. Speed," said William Penn Coach Bill Cole. "We didn't have anyone who could run like Barnes. And we didn't have anyone to defend against that kind of speed."

Now all that remained for Coach Paul Gladden's Lions was to halt the losing streak. The Lions had their moments trying to do that. However, a stout Lion defense, plus three interceptions and a recovered fumble by De La Warr's Bill Pote that was practically pulled out of the hands of Colonial Tom Green on De La Warr's 9-yard line in the second quarter, shored the William Penn drives.

had been working all day but wasn't tacking up many points, struck quick. On fourth down and two yards to go at the William Penn 44, Hopper turned gambler and the Lions were scratching their manes. Told to watch for the draw play or the short pass, De La Warr did just that — while Colonial halfback Jerry Windish sped down the sidelines, caught a Hopper pass on the run and turned it into a 56-yard scoring play. Ron Mitchell booted the extra point.

Five minutes later, the Lions had something to be thankful for. The game was over and so were the jinxes.

LION ROARS—The crowd of 4,000 was the largest at Garfield Park since William Penn and De La Warr played before that many in 1962 . . . Colonials' Hopper attempted 28 passes, completed 14 for 225 net yards and had three intercepted . . . Barnes carried the ball 14 times for De La Warr for 169 net yards.

THE COLONIALS, marching deep into De La Warr territory the entire game, went non-stop for the first time early in the second quarter when quarterback Doug Hopper threw 15 yards to Tom Leonard for a tally. With both teams failing on their extra points, the score remained 6 to 6 until midway in the third quarter when the Lions began to get more serious.

Bruce Dally picked off a Hopper pass from his linebacking position to halt a Colonial drive on De La Warr's 16. Two plays later, Barnes had gained 55 yards to the Colonials' 20. Quarterback Chuck McCallion, who finished as the leading scorer in the conference with 74 points, completed the drive by going over from the one for the first of his two touchdowns. Barnes ran for the extra point.

Minutes later, Bob Burns, the Lions' 6-foot-1, 195-pound fullback, rambled 24 yards to score and McCallion passed to Ken Williams for the extra point to make the score, 20-6.

A 37-YARD march by the Lions ended midway in the fourth period with McCallion scoring from the 1. Then, the Colonials' passing attack, which had been working all day but wasn't tacking up many points, struck quick. On fourth down and two yards to go at the William Penn 44, Hopper turned gambler and the Lions were scratching their manes. Told to watch for the draw play or the short pass, De La Warr did just that -- while Colonial halfback Jerry Windish sped down the sidelines, caught a Hopper pass on the run and turned it into a 56-yard scoring play. McCallion sets loop point mark

By BOB HERTZEL

Chuck McCallion, De La Warr High's running and passing quarterback, set a Blue Hen Conference scoring record this season, eclipsing the mark established last year by Conrad's Ernie Anderson.

McCallion, who paced De La Warr to a second-place finish in the conference, registered 11 touchdowns and eight extra points for 74 points. Anderson, scoring four touchdowns against Dickinson Thanksgiving Day, 1963, held the record of 73 points.

FRED YOUNG, P.S. du Pont's bulldozing fullback, finished second with 67 points on 11 touchdowns and an extra point while Newark's Charley Hayman was third with 11 touchdowns for 66 points.

Anderson holds the season record for touchdowns, 12.

The 5-foot-10, 165-pound McCallion started his football ca-

reer at fullback. However, when Gil Jackson transferred to Dickinson, the quarterback post was left open and in moved McCallion.

Early in the year the senior claimed fullback was his first love. "I don't know anymore," McCallion said after scoring two touchdowns to break the record and help defeat William

Penn, 26-13, on Thanksgiving Day.

MCCALLION'S progression at quarterback can be directly seen in the won-lost column. While he was still getting adjusted to the new surroundings, De La Warr lost two and tied one. De La Warr finally broke into the win column with a 7-6

victory over Dickinson.

For the next five games there was no stopping the Lions or McCallion. They won all five games, scoring 163 points for a 32.6 average per game.

"It happened in the second half of the Mt. Pleasant game," said McCallion, referring to the turn-about of De La Warr's football fortune. "We were losing by two touchdowns but came back to tie the game, 13-13. The team knew then it could score."

McCallion proved himself more than just a running quarterback, throwing for nine touchdowns. "I passed a lot more than I expected to at the beginning of the year," he said.

Aim For A Star
By: Helen Marshall

Aim for a Star! Never be satisfied
With a life that is less than the best.
Failure lies only in not having tried,
In keeping the soul suppressed.

Aim for a Star! Look up and away
And follow its beckoning beam.
Make each tomorrow a better today
And don't be afraid to dream.

Aim for a Star! And keep your sight high
With a heartful of faith with
Your feet on the ground, and your eyes on the sky
Some day you are bound to win.

HOLLOWAY TERRACE JR. FIREMEN

The Holloway Terrace Junior Firemen's Association was first organized forty years ago under the name of "Runners." Their job was to run messages from truck to truck at the scene of a fire. With the modernization of radio equipment "runners" have become active firefighters.

Many Junior Firemen have earned advanced aid cards from the Red Cross and they receive forty-eight hours of fire training a year.

Depending upon the skills and training they have Junior Firemen have risked their lives to save and protect the lives and property of others.
